Sir:

This information disclosure statement (IDS) is being submitted to complete the record in this case. Applicants believe that the claims are patentable. The documents are not believed to be material and noncumulative in view of the prior art of record.

Attached is Form PTO-1449 listing the enclosed foreign patent documents. They were first cited in the Office Action mailed December 11, 2007 in the related Japanese patent Application No. 2001-560349. No fee is being submitted and no fee should be charged to our deposit account.

The full English translation of JP 08-239658 A is attached. It was provided by the Industrial Property Digital Library (IPDL) of Japan Patent Office (JPO). Partial English translations of JP 47-007954 B and JP 48-021519 B are provided. Finally, an English abstract of the publication of JP 56-034278 B2 (i.e., JP 55-039730 A) is also provided.

As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this information and the listed documents are prior art merely because they are submitted. Furthermore, no representation is being made that a search has been conducted or that this statement encompasses all possible material information.

This application issued as U.S. Patent 7,314,732 on January 1, 2008. The Examiner is invited to contact the undersigned if any further information is needed.

Respectfully submitted,

NIXON & VANDERHYE P.C.
